

33. Exhibit "16" to this Affidavit is a true copy of a Yard Display Status prepared by me from the records of BNSF. According to this report, it is anticipated, at the present time, that up to six (6) loaded coal trains will travel north from the Canada/U.S. border at Blaine, Washington, through the City and then on to the Westshore facilities at Robert's Bank.

34. At the present time, the anticipated schedule is as follows:

TIME	DIRECTION	LENGTH OF TRAIN	NUMBER OF CARS
00:47	North	6,635 ft.	125
02:17	North	6,635 ft.	125
03:01	North	6,635 ft.	125
10:56	North	6,635 ft.	125
16:57	North	6,635 ft.	125
17:18	North	6,635 ft.	125

35. In addition to the coal trains discussed above that are anticipated to travel along the
